

Edmodo is a free and secure online learning platform where teachers can collaborate, share content, and use educational apps to augment in-classroom learning. Edmodo provides a safe and easy way to connect and support learning beyond the classroom. Students can message and post to each other as well as with their teachers within different class pages. For parents and guardians, Edmodo serves as a great way to keep informed of due dates, assignments, and school events. Parent/guardian accounts are not required, but we recommend signing up for one to stay engaged with your child's learning experience.

In order for your child to use Edmodo, he or she must have your permission, and parents/guardians must read and agree to the Edmodo Terms of Service (<http://www.edmodo.com/corporate/terms-of-service>) on your child's behalf. Parents/guardians must also read and agree to the Edmodo Privacy Policy (<http://www.edmodo.com/corporate/privacy-policy>). Edmodo takes privacy seriously and has received the TRUSTe Children's Privacy Seal to verify this. The only information required from students to set up an Edmodo account is the teacher's class code, their name, and a username and password.

To enhance learning activities, we may choose to use certain educational applications from the Edmodo Store. This digital content is offered by vetted third-party publishers who have their own privacy policies but are required to abide by Edmodo's privacy policy standards.
