Release of Liability
2017-2018 School Year

I, _____, am providing a personally owned device, _____, for my child,
Parent's Name Name of Device
_____, to use at Ivymount School.
Child's Name

I understand and agree that it is my responsibility to assess any potential risks as a result of the use of this device at school. I understand and assume these risks and hereby release Ivymount School from any liability for damage or loss of device as a result of the use of the device at Ivymount School. As the provider of a personally owned device, I am responsible for regular upkeep and maintenance of the device. However, during the use of this device at school, I give permission for designated staff (IT Team, AT/ET Specialists, Classroom Staff) to:

(Please check all applicable items)

- Charge the device as needed
Perform routine maintenance (e.g., clean the screen, change the battery)
Perform basic problem solving actions in the event of the device malfunctioning. (e.g., soft reset, restart program, other basic troubleshooting outlined in user manual)
Make changes necessary for the function of the device at Ivymount (e.g., add pictures to a schedule/AAC app, connect to WiFi, edit accessibility settings, etc...)

In consideration of the provision of a personally owned device, Ivymount School will:

- Ensure that _____ is the only student using the device. Student's Name
Ensure that all staff working with the student are trained in the proper use and care of the device.
Provide training and support as needed to the student in the proper use and care of the device.
Exercise due care to maintain an environment in which the use of the device is free of potential risks (e.g., not around liquids during cooking group or lunch, device taken off during an active PE class, device is put in a safe place when not in use).

Ivymount School does not install applications or software on devices not owned by the Ivymount School. Ivymount School staff may make recommendations based on trials done in the classroom or a therapeutic setting, but it is the responsibility of the parent/guardian to purchase and install the application or software.
